

COM 410  
Assignment #1

The film gives some historical reasons about the decline of the Black Press.

Analyze these reasons:

- Are they suppositions?
- In your view, are they valid? Why or why not?
- Cite some specific sources other than the movie to support your analysis.
- Are there other reasons for the decline of the Black Press not mentioned in the film? What are they? Again, be specific with your sources.
