# Audience engagement project - topic areas and community connections

<a href="#">Community reporting project</a>	<a href="#">CRP resource page</a>	Course home
---	-----------------------------------	-------------

Here are some starting points for investigating some of the topics of interest that you've identified for your projects, including links to relevant datasets or possible interview sources.

Topic	Source	Contact	Notes
Education, college access and affordability	Smith Family Foundation		
	<a href="#">Education Law Center</a>		K-12 focus
Water quality	<a href="#">City of Trenton</a>		Links to policy statements and plans
	Algernon Ward		
	<a href="#">Environmental Working Group</a>		Easy to understand presentation of hazards, with links to action steps. Worth reviewing as an example.
	<a href="#">New Jersey Water Environment Association</a>		Statewide organization for water quality professionals.
	<a href="#">Lead in water - NJ schools</a>		
	Trenton Water Works		
	Brian Webb, TCNJ health and environmental safety officer		
	TCNJ water quality research	<a href="#">Michael Horst</a> (engineering)	
	<a href="#">TCNJ Signal</a>		Articles on water quality,
Climate change	<a href="#">New Jersey DEP climate change info</a>		<a href="#">Data page</a> with tools and resources. Also, see <a href="#">Information tools</a> tab on DEP home page
	<a href="#">New Jersey Environmental Justice Alliance</a>	Ana Baptista, Nicky Sheats (TESC)	Climate change mitigation policy
	TCNJ climate research	<a href="#">Nathan Magee</a> (Physics), Diane Bates (sociology),	
Food supply	<a href="#">New Jersey Department of Agriculture</a>		<a href="#">NJ Cattle Health Assurance program</a>
	<a href="#">Isles Urban Agriculture program</a>		
	<a href="#">TCNJ campus garden</a>	Janet Gray (WGSS), Janet Morrison (Biology)	
	<a href="#">Rutgers Urban Ag Lab</a>		
	<a href="#">Capital City Farm</a>		First commercial farm in the city
	<a href="#">City Beef</a>		Meat packing and distribution company, now trying to expand beyond meat.
	<a href="#">State Food waste site</a>		
Economic development	<a href="#">NJDEP Planning and Sustainable Communities</a>		
	<a href="#">Undesign the redline</a> exhibit	Jacqui Dent Ivey	
	Isles community planning		
Environmental education	TCNJ environmental education	<a href="#">Lauren Madden</a>	
Recycling	<a href="#">Terracycle</a>		Trenton based company promoting zero-waste solutions. They sell kits that allow people and companies to send in their waste for recycling. They turn the waste into packaging and other products. They have opportunities for people to become distributors.
Sustainable lifestyle resources	<a href="#">Lissatheshop</a>		Sustainable fashion brand in Northern New Jersey
